Testimonials

“

My experience at AMWC Asia - TDAC was highly enriching. I particularly enjoyed the high-quality presentations, the diversity of expert speakers, and the opportunity to learn about the latest advancements and techniques in aesthetic medicine. The event was well-organized, and the networking opportunities were valuable for connecting with peers and industry leaders.

Xiang Yun TAN • Malaysia

“

Attending AMWC Asia-TDAC was an enriching and inspiring experience. I particularly enjoyed the high level of academic content and the diversity of expert speakers from across the region. The scientific sessions were well-curated, especially those focusing on advanced injection techniques, biostimulators, and regenerative aesthetics areas directly aligned with my clinical and research interests.

Kamphon SOCHAROENTAM • Thailand

“

I particularly enjoyed the sessions on filler, botulinum toxin, and the live demo. Overall, there wasn't anything I found disappointing; everything was quite well-organized and enjoyable.

Minh Doan PHAN • Vietnam

“

I got many new ideas from experts. Our field have grown up and the trend is changing rapidly. AMWC Asia gave me the good opportunity to share our knowledge.

Nariaki MIYATA • Japan

“

Speeches about injection techniques and thread lifting were tremendous. Spectacular ideas inspired me so much and provide guided my practice.

Chun-Hung HSU • Taiwan

“

The sessions that I attended were informative and purely scientific, significantly more than other conferences.

Xanya SOFRA • United Kingdom

“

Holistic experience in various aspects of aesthetics medicine.

Wei Ming LIAO • Taiwan
